Note on your revocation: After a positive examination of the condition of the goods, you will receive your refund including the delivery costs for shipping immediately. The refund will be made using the same payment method that you used for the original transaction. We would like to point out that we cannot influence the transaction duration if the payment was made with a third-party payment provider (e.g. Visa, Master). Under no circumstances will you be charged any fees for the refund. We reserve the right to refuse a refund until we have received the returned goods or proof of the return shipment. The costs for returns are to be paid for by the customer.
